

## Online Bahasa Malay Trainer (m/f/d)

[Apply Now](#)

Company: Learnship Networks GmbH

Location: Abidjan

Category: other-general

**Learnship Networks GmbH are looking for Bahasa Malay language trainers to teach online courses. Learnship Networks GmbH is a world-wide language learning provider founded in 2008 and headquartered in Cologne, Germany. We specialize in live world-wide Online instruction for business clients, but also offer face-to-face courses in countries such as France, Germany and Switzerland.**

### **We offer:**

Fun virtual working environment through our cutting-edge, engaging teaching platform

Opportunity to develop and enhance skills in online teaching, utilizing multimedia and interactive tools

Room for professional development via pedagogical and coaching sessions

Networking opportunities with other teachers, i.e. language tandems and teacher's café

Flexible schedule for online teaching

Reduced lesson planning time with direct access to teaching materials

**We are looking for qualified freelance trainers with:**

Native-level fluency in Bahasa Malay, including native-level intonation, accent, and pronunciation

Foreign Language Teaching Certification(s) and/or University Degree(s)

Experience teaching Business Bahasa Malay to adults (strongly preferred)

Intermediate or higher-level proficiency in any language (plus)

Additional non-teaching professional experience (a plus)

Weekend hours possible (a plus)

A high level of comfort using internet-based software and technology

A reliable broadband internet connection (DSL or cable) installed

Friendly, outgoing personalities

**Responsibilities include:**

Lesson preparation

Delivering lessons to business professionals according to course objectives

Assigning homework and providing session & course feedback online
